JUST A WORD

PHOTOGRAPHS are a luxury. You do not need them, but sometimes you want them
and must have them. You do not want poor ones; you want the best. You should
have them and be willing to pay a reasonable price for them. When you are sick you
invariably send for a physician. You do not especially pay for the medicine he gives you, but
for his knowledge and skill. Deal with your photographer in the same way. If you do not
know who to try, consult your friends. Visit competitive studios. Examine carefully the
work. Be willing to pay a reasonable price, and above all use good, unprejudiced judgment.
I have no fear of the results. I do not claim to be as good as the best in the United States. I
claim to be the

ONLY ARTISTIC PHOTOGRAPHER IN SUMNER COUNTY.

I do not give away any presents to induce you to pay me for trash, but do guarantee to give you first-class, satisfactory
work at as low a price as I can afford to do such. Please give this your careful attention.
When you want a Photograph in any size or style, call around and see me. I will meet you with a smile and try to make life
worth living to you while in my studio. Orders taken for all kinds of large work and satisfaction guaranteed.

Studio over Post Office.

Respectfully,

CAMAN, The Photographer
